Privacy Policy

1. Introduction

Theory of Music Limited provides a range of services to further the object of the company, which is to advance education in the subject of music and in subjects related to music.

Service users, by using the services of Theory of Music Limited, agree to the collection and use of a certain amount of personal information. This privacy policy informs users of Theory of Music Limited's services about the company's policies regarding the collection, use, and disclosure of service users' personal information.

The personal information that the company collects is used for providing and improving Theory of Music Limited's services. The company will not use or share the personal information of service users with anyone except as described in this privacy policy.

2. Information collection and use

For a better experience while using Theory of Music Limited's services, we may require service users to provide the company with certain personal information, including but not limited to, their names, telephone numbers, and postal addresses. The information that the company collects will be used to contact or identify service users.

2.1. Service providers

Theory of Music Limited may employ third-party companies and individuals to:

- facilitate the company's services
- provide a service on our behalf
- perform service-related tasks
- help the company analyse how its services are used.

Third parties might have access to the personal information of Theory of Music Limited's service users in order to perform tasks they are carrying out on behalf of the company. However, these third parties are obligated not to disclose or to use this personal information for any purpose other than performing tasks they are carrying out on behalf of Theory of Music Limited.

Theory of Music Limited values the trust of its service users and strives to use commercially acceptable means of protecting the personal information of service users. However, no method of transmission over the internet, or method of electronic storage, is 100% secure and reliable, and Theory of Music Limited cannot guarantee the absolute security of the personal information of service users.

2.2. Links from www.theoryofmusic.eu to other websites

The website of Theory of Music Limited (www.theoryofmusic.eu) may contain links to other websites.

If service users click on a third-party link, they will be directed to that site. These external sites are not operated by Theory of Music Limited. Therefore, service users of Theory of Music Limited are strongly advised to review the privacy policy of these websites.

Theory of Music Limited has no control over and assumes no responsibility for the content, privacy policies, or practices of any third-party sites or services.

3. Children's Privacy

Theory of Music Limited does not provide services to anyone under the age of 14. The company does not knowingly collect personal identifiable information from children under 14. In the case that the company discovers that a child under 13 has provided it with personal information, the company will immediately delete this from its files. If parents or guardians are aware that their child has provided the company with personal information, they should contact the company in order that it will be able to carry out the necessary actions.

4. Changes to This Privacy Policy

Theory of Music Limited may update this privacy policy from time to time. The updated privacy policy will be published on the company's website: www.theoryofmusic.eu.
